In view of the number of individuals involved and their contributions to the Intelligence Community, I believe that the Seal Medallions should be presented by you. If possible I believe it would also be appropriate for these individuals to be introduced to the DCI. We have tentatively set up September 18 or 19, 1986 as mutually acceptable dates among the recipients for the presentations.

3. Recommendation: That you present the Agency Seal Medallion to the four above named individuals.
